Business Tax Return Preparation and Advising Solutions

Business Tax Returns - Form 1065 (Partnership), Form 1120-S (S-Corp), Form 1120 (C-Corp)

Our Basic Business Tax Comprehensive Services Package includes...

- Business federal and state (first state included) income tax preparation and e-filing for Form 1120, Form 1120-S and Form 1065 (simple business returns only).
- Business tax return preparation includes initial preparation and a final review all by Keith Clark CPA.
- For simple business returns (up to \$250K company annual gross revenues).
- Basic business return pricing includes required k-1 forms based on one shareholder, or two partners.
- A Schedule L (Balance Sheet) is included with every Form 1065, 1120 & 1120-S.
- Our base business tax return fee also includes shareholder / partner basis calculations for Form 1120-S & Form 1065.
- Fees can vary depending on the number of company assets, organization of the accounting information, company gross revenues, overall complexity of the return, etc.
- Accounting adjustments and work to re-organize business records for tax return preparation will be charged as a separate fee (if applicable, additional fee to be determined).
- Any unforeseen circumstances will be billed based on our current business CPA hourly rate of \$375 / hr.

Not all tax situations are created alike, therefore, the above is an effort to simplify our pricing structure into an easy to understand and predictable final invoice for the purpose of transparency and to avoid surprises as much as possible.

For 2025 Business Tax Returns - Form 1065 (Partnership), Form 1120-S (S-Corp), Form 1120 (C-Corp) Basic Business Tax Comprehensive Services Package starts at just \$950 (S-Corp & C-Corp) & \$1,100 (Partnerships)

additional fees will apply for more complex tax situations...please see below

For more complex business returns (\$250K up to \$1 Mil company annual gross revenues), our fee starts at \$1,200.

Business returns with over \$1 million in company annual gross revenues (fees in most cases range between \$1,500 to \$2,000, however, final fee to be determined).

The above pricing assumes that business accounting records are properly organized for a business tax return. Accounting work needed to re-work or re-organize business records or requesting missing information necessary for tax return preparation will be charged as a separate fee based on our time spent if applicable.

For established businesses, the above pricing assumes that the previous year's tax return (balance sheet, asset depreciation, shareholder / partner basis, etc. were done correctly. If adjustments need to be made, additional time spent will be billed at our current business CPA rate of \$375 / hr.
